

ARTICLE 19 LEAVE FOR JUDICIAL AND OFFICIAL APPEARANCES

---

Employees shall be entitled to leave without loss of pay to appear in court as a witness, other than as a litigant, or to respond to an official order from duly authorized government agencies, or to serve as a juror.

Any compensation received other than travel and meal allowances for appearance as a witness or for serving as a juror shall be reimbursed to the District by the employee so that the employee's compensation for any days of absence for the above purposes shall not be in excess of, or less than, his regular pay.

Persons requesting leave under this policy shall submit to the District Office a copy of the subpoena or summons requiring their appearance.

The Board shall pay the regular salary to the employee called to serve as jurist or subpoenaed to appear before legal and quasi-legal review panels as witnesses.
