

- A. This Agreement shall remain in full force and effect up to and including July 1, 2018-June 30, 2021, and thereafter shall continue in effect year-by-year until completion of the negotiations process and creation of a successor agreement.
- B. CSEA and the District agree to present their annual initial proposals on reopener subjects during the term of this agreement to each other and for public review no later than the December Board meeting deadline so that negotiations can commence during January. The same time schedule shall apply to initial proposals for a new Master Agreement by the CSEA membership and the Board of Trustees. The District shall process any required retroactive salary checks as quickly as administratively feasible.
- C. The articles on compensation (salary and insurance protection) and two additional articles of each party's choice may be reopened for the 2018-2019, 2019-2020 school year.
- D. All CSEA bargaining unit members in paid status on the day the Tentative Agreements signed will benefit from the negotiated agreement.
